

# Group Term Life Insurance

for Members of the New Jersey Society of Certified Public Accountants

Underwritten by  
New York Life Insurance Company

# Whether you're just starting your career and family or looking forward to enjoying the fruits of your hard work in retirement, the role that life insurance can play in a family's security and financial well-being is an important issue to consider.

Nothing can replace the loss of a loved one. But life insurance could help provide the resources your family needs for a secure and comfortable future.

As a member of the New Jersey Society of Certified Public Accountants, you have an opportunity others don't. The NJCPA Insurance Program has put together Group Term Life Insurance features to help protect your family, your assets and your legacy.

## Affordability

The NJCPA Insurance Program gives you access to group buying power. Unlike plans you might find in the general market, you get the benefit of your group association. Plus, as part of a group plan, you can never be singled out for a rate increase.

## Advocacy

For decades, the NJCPA Insurance Program has been sponsoring customized plans to meet the needs of accountants. Our plan administrator, USI Affinity, employs a team to answer questions and help you understand your options. We're your advocate, and we work hard to understand and anticipate your needs as an accountant.

## Stability

The NJCPA Insurance Program and USI Affinity have gone through the paces of due diligence to ensure that you're getting coverage from a respected insurance carrier. This plan is underwritten by New York Life, a leading insurance provider who is rated A++ (Superior) by A.M. Best for financial strength and is a recognized leader in service and claims experience.<sup>1</sup>

## Eligibility & Coverage Amounts

### Eligibility

Members of NJCPA who are under age 60 and residents of the U.S. may apply for coverage. Members may also apply for coverage for their lawful spouses who are under age 60 and residents of the U.S., and for unmarried dependent children ages 15 days to 21 years (25, if full-time student) and not in military service.

### Your Choice of Coverage Amount

NJCPA members and their spouses may apply for coverage amounts from \$50,000 to \$300,000 in \$25,000 increments.<sup>2</sup>

You may apply for \$1,000 of coverage for eligible dependent children ages 15 days to 6 months. You may also apply for \$10,000 of coverage for eligible dependent children over age 6 months. The annual premium covers all eligible dependent children, regardless of the number covered.

Employees of NJCPA members who are working FULL-TIME<sup>3</sup> may also apply for coverage for themselves and their eligible dependents.

## How much life insurance should I consider?

Many experts recommend at least

**10x** { Your Gross **ANNUAL INCOME** }

Consider these factors in deciding coverage amount:

EXISTING DEBTS OF THE INSURED

FINAL EXPENSES FOR THE INSURED

FUTURE INCOME OF THE INSURED

FUTURE NEEDS OF THE BENEFICIARY

SPAN OF YRS. TO SUPPORT BENEFICIARY

## Features Included in the Plan

### Accelerated Death Benefit

Sometimes there are circumstances when you may need added financial support while you're still living, and the Accelerated Death Benefit in this plan could help. If you, your insured spouse, or insured dependent child are diagnosed with a terminal illness (less than 6 months to live), you can request a one-time advanced payment of 50% of the in-force coverage.<sup>4</sup>

Use this benefit payment for any purpose you choose—including additional medical expenses, personal care, and household expenses. Your beneficiaries still receive the remaining 50% of your death benefit. To qualify you must provide proof of terminal illness and have a life expectancy of one year or less. Premiums will not reduce.

### Waiver of Premium

It's good to know that your insurance will continue should you become totally disabled. If you become totally disabled prior to age 60 and remain so for at least six months, insurance including coverage for eligible dependents will be continued at no cost provided you remain totally disabled. Please refer to your Certificate of Insurance for applicable conditions.

### Handicapped Child Benefit

This plan gives important consideration to parents with special needs children. Once coverage is effective for your dependent, it will remain in force for your dependent beyond the age termination date if your dependent has a physical or mental handicap which renders him or her incapable of self-sustaining employment and requires dependency on you or other care providers for support. Coverage for a special needs child can help cover final expenses and make up for lost income opportunities while the parent provided very important care to their child.

### Portability

Access to this plan is through your association membership. Unlike employer-based coverage, this plan is portable which means that if you change jobs or move residences, your coverage does not terminate. Just maintain your NJCPA membership to keep your coverage.

1: Third Party Ratings Report as of 8/11/2015.

2: Total coverage in force through all NJCPA-endorsed life insurance underwritten by New York Life cannot exceed \$2,000,000 per insured member. Spouse coverage may not exceed the member's coverage.

3: FULL-TIME means the active performance for pay or profit of the regular duties of one's normal occupation on a basis of at least 24 hours each week at a place where such duties are normally performed or other locations to which travel is required.

4: Not available to residents of Massachusetts. Receipt of this benefit may affect your eligibility for public assistance programs and may be taxable. Prior to your request, you should consult with appropriate social service agencies and your tax advisor.

5: NCHS Data Brief: Mortality in the U.S., October 2014, U.S. Dept. of Health and Human Services Center for Disease Control and Prevention.

6: Subject to U.S. government regulations on restricted countries.

## Optional Plan Feature

### Accidental Death & Dismemberment

No one likes to think it will happen to them, yet unintentional injuries are the fifth leading cause of death in the U.S.<sup>5</sup> For an added premium, this optional NJCPA members-only benefit helps protect you anytime, anywhere in the world.<sup>6</sup> Select an amount equal to your life insurance benefit.

Total benefits or a portion thereof is payable for accidental loss of life, limbs, sight, speech or hearing due to a covered injury. Please refer to your Certificate of Insurance for applicable conditions.

### ? Will my needs ever change?

Your life insurance needs can change over time. It's important to review your coverage on a regular basis to be sure it has kept pace with your changing life, lifestyle, and legacy. Here are a few typical events that should trigger an insurance review, whether it's your milestone or a family member's:

GRADUATIONS

MARRIAGES OR DIVORCES

HOME SALES & PURCHASES

BIRTH OF A CHILD/GRANDCHILD

JOB CHANGE OR RETIREMENT

## Summary of Terms & Conditions

### When Coverage Begins

For NJCPA members and their spouses, coverage becomes effective on the first day of the month following the date your enrollment is received, provided you pay the initial premium within 31 days after billing. You must also be performing the normal activities of a person in good health of like age (Residents of NC: the requirement is "a person of like age" only) on the approval date. Payment of a premium contribution does not mean coverage is in force.

Dependent child coverage will become effective on the date the member's coverage becomes effective or on the first day of the policy month following the date of approval of dependent child's coverage by New York Life, whichever is later.

### When Coverage Ends

Your coverage will remain in force until the earlier of the following occurrences: a) you reach age 70; b) you fail to pay premiums when due; c) you discontinue your membership in the association; d) the Group Policy is terminated by New York Life or the Policyholder; e) the Group Policy is modified to exclude the class of insured in which you belong; f) if an employee, you are no longer working FULL-TIME<sup>3</sup> for an NJCPA member, or; g) you elect to end coverage.

In addition to the above reasons, your AD&D coverage will end if you begin active duty in the armed forces of any country.

Spouse coverage ends on the premium date which coincides with or follows the earlier of: the date the member's insurance is terminated or the end of the premium-paying period during which a) the marriage ends in divorce or annulment; b) the spouse becomes an insured member; or c) the spouse turns age 70.

Dependent child coverage will end when the member's coverage ends (for reasons other than attainment of age 70). In addition, dependent child coverage will terminate when the child ceases to be an eligible dependent.

Upon the member's death, coverage for your insured spouse or dependent child may continue as described in the Certificate of Insurance.

### Life Coverage Exclusion

The life insurance benefit will be limited to the total sum of the premiums paid if the insured person's death is due to suicide, whether sane or insane, within two years of the date coverage was issued. In addition, the validity of any amount of insurance which has been in force for two years during your lifetime will not otherwise be contested except for insurance eligibility provisions or non-payment of premium contributions.

### AD&D Coverage Exclusion

No AD&D benefits will be payable for any loss that occurs during or is due/related to: a) suicide/attempted suicide or intentionally self-inflicted injury, while sane or insane; b) insurrection, riot, war, or while in service as a full-time member of military service for any country; c) the committing of/attempt to commit an assault or felony or participation in (except as a victim) or incarceration resulting from an illegal occupation or activity; d) disease or disorder of the body or mind; e) medical or surgical treatment, diagnosis, or preventive care; f) bacterial infection, except when resulting from purely accidental circumstances; g) the taking of i) drugs (except those taken as prescribed by a doctor) and intoxicants or ii) poison or inhaling of gas (except losses which are the result of accidental ingestion of poison or inhalation of poisonous gas); h) travel in/on, fall or descent from any aircraft, unless

### 30-Day Free Look

Once your coverage is approved, you will be sent a Certificate of Insurance summarizing your benefits under the Plan. If you are not completely satisfied with the terms of the Certificate, you may return it, without claim, within 30 days. We will refund your entire premium contribution and invalidate your coverage.

\*The cost of this life insurance is based on amount of life insurance requested, usage of tobacco/nicotine products, and age attained on the date coverage is issued. The initial premium is determined by current age (nearest birthday) on the first day of December which precedes or coincides with the certificate effective date.

Premium contributions will vary depending options chosen. Premium contributions may be changed by New York Life on any premium due date and any date on which premiums are changed. However, your rates may change only if they are changed for all others in the same class of insureds under this group policy. Rates increase when you enter a new age bracket. Renewal premiums are monthly. Each renewal premium is determined by your age on that renewal date.

### How much life insurance do you need?

Everyone's situation is different, but according to an independent certified financial planner, the simplest formula for calculating the minimum life insurance you need is to multiply your gross annual salary by 10. However, you may find that you need more than 10 times your annual salary if you have other long-term financial goals and responsibilities. At the very least, you want to leave enough money so that your spouse can pay the bills after your death. The more money you leave can help protect your loved ones for a longer period of time.
