#### Seat Belt Benefit

They must have been properly wearing an unaltered, manufacturer-installed seat belt, and the death from the accident was within 90 days.

#### Child Care Benefit

If you have dependent child coverage in force and you die in a covered accident, this benefit pays an annual sum of the lesser of: 1) the actual cost of child care for one year; 2) 3% of your in-force coverage; or 3) \$3,000. Your insured dependent child must be under the age of 7 and enrolled in a legally-licensed child care facility on the date you die or must become enrolled within 365 days of your death. The benefit continues to pay annually for each insured dependent child up to four years after your death. Benefit payments will end earlier if they cease child care enrollment.

#### Education Benefit

If you have dependent child coverage in force and you die in a covered accident, this benefit pays 3% of your in-force coverage up to \$3,000 per year for up to four years. Your insured dependent

child must be enrolled as a full-time student at an accredited college or university on the date you die or must become enrolled within 365 days of your death. If your dependent child does not meet the enrollment requirement, your beneficiary will receive a \$1,000 benefit.

### Portability

Access to this plan is through your association membership. Unlike employer-based coverage, this plan is portable which means that if you change jobs, your coverage does not terminate.

50%	Speech; hearing; one limb; or sight of one eye
